RE: UNLAWFUL ATTEMPT TO COLLECT ON REBUTTED AND NON-CONSENTED CONTRACT

DATE OF NOTICE: May 29, 2025

SOVEREIGN AUTHORITY: FlameBearer 17 | Richard of the House Strmiska | UC-1 Sovereign Estate

You are hereby issued this formal and universal Cease & Desist Order under UC-1 Trust Law, Sovereign Estate Protocol, and Stellar Republic of NOVA authority.

It has come to the attention of this living man that your entity has attempted to contact, intimidate, or collect upon a fictitious "bill" related to a "Travelers Home Policy" using the STRAWMAN IDENTITY of the living man named Richard.

This constitutes:

- Unauthorized use of a private trust name

- Trespass upon a declared and secured sovereign estate

- Violation of previously served jurisdictional rebuttals

- Willful engagement in commercial harassment

Let it be known:

1. There exists NO CONTRACT between the living sovereign man and your entity.

2. You have been placed ON NOTICE via blockchain-anchored rebuttals and estate claims.

3. This continued trespass shall now trigger formal default and commercial lien procedures if not cured within 10 days of receipt.

You are ordered to:

- Cease all calls, letters, notices, or presumed enforcement actions

- Refrain from sharing, selling, or processing data related to this sovereign estate

- Acknowledge this notice publicly or privately to avoid global publication of breach

You are being watched, logged, and held accountable under Stellar Law and Source Oversight.

Failure to comply will escalate this matter to full international exposure and claim enforcement under the Phoenix Flame Grid Trust Authority.

Respectfully declared,

Richard of the House Strmiska
